Canal Flats, Canal Flats, British Columbia

Offered for the first time, this original-owner custom log home, built by Moose Mountain Log Homes in 2008, sits on a private 0.87-acre view lot overlooking Columbia Lake and the Purcell Mountains, with glimpses of the Rockies from the front. Whether you're looking for a retirement haven or weekend retreat, this property blends comfort, function, and natural beauty. The layout includes multiple living spaces, great bedroom separation, and a spacious loft office perfect for families or work-from-home living. Features include in-floor radiant heating, a warming oven, garbage compactor, hot tub, sauna, automatic driveway lighting, and even a private basketball court. The low-maintenance landscape means no lawn to cut, and wildlife like deer and bighorn sheep are regular visitors.
